Dear Neighborhood Resident:

This office represents American Tower Corporation, which has filed an application with the Town of Brighton Planning Board to replace an existing 112' tall, self-supported tower, located at Pinnacle Hill, with a 270' tall, self-supported tower (with 50' tall antenna extending above the tower) in order to accommodate digital television broadcast facilities mandated by the Telecommunications Act of 1996, and other uses including FM radio transmission facilities. A copy of American Tower's application is enclosed. We anticipate that the public hearing for this application will be held at the Planning Board meeting on May 16, 2001 at 7:30 p.m. at the Brighton Town Hall, 2300 Elmwood Avenue.

Very truly yours,

Karl S. Essler
